### Grief Counseling and Support for The Company Theatre Families

Grief Counseling provides support, comfort, coping strategies, and normalization of the wide range of feelings and reactions experienced in the wake of the loss. The Company Theatre has arranged my services at **no charge** to Company Theatre families from July 6-August 14, 2020.

A typical meeting is 20 minutes or less and is confidential. Information will not be shared with The Company Theatre. Parent/guardian permission is requested for anyone under 18. You may access the support for yourself, or on behalf of someone else. A check-in can be particularly helpful for parents who may have concerns about their child's experience with loss and grief.

*Due to the COVID-19 pandemic, all meetings are held via phone or video conference. When booking, please indicate your preference. Thank you.*
