

She Kills Monsters - Female Audition Monologue

1. Have you played Dungeons & Dragons before?
2. If yes, briefly describe the most epic fail that occurred during one of your adventures.
3. If you could choose any race & class in D&D, what would you play as and why?

AGNES: Do you want to know what my memories of Tilly are? They're of this little nerdy girl who I never talked to, who I ignored, who I didn't understand because she didn't live in the same world as I did. Her world was filled with evil jello molds and lesbian demon queens and slacker Gods while mine... had George Michaels and leg-warmers.

I didn't get her. I assumed I would one day- that she'd grow out of all this- that I'd be able to sit around and ask her about normal things like clothes and TV shows and boys... and as it turns out, I didn't even know she didn't even like boys until my DM told me.

I didn't know her, Vera. I remember her as a baby, I remember her as this little toddler I loved picking up and holding, but I don't remember her as a teen at all. I'll never get the chance to know her as an adult.

And now all I have left is this stupid piece of paper and this stupid made-up adventure about killing a stupid made-up dragon.
